Pizza

Juniper, The Square, Bakewell, DE45 1BT
01629 815629

We don't just have your thirst covered...

...We also serve Juniper's very own speciality pizza selection, thoughtfully created for you. In keeping with our values, all of our pizzas and menu choices are produced locally and are freshly prepared every day.

We're a fairly flexible bunch here at Juniper, so if there is something that's not on our pizza menu selection, you can just create your own. If we have the ingredients, then we can produce your very own pizza choice. Furthermore, if we think it's good enough, we may even put it on our menu and you can name that pizza!

So visit us and let's create new tastes and make pizza history!
